

## About PGIA

- **We care!** The Printing and Graphics Industry Association of Alberta is continually working to develop better member services, providing members with comprehensive industry information and resources.
- **Our commitment** is to be a valuable resource for members who are striving to expand their market share, find skilled workers, adopt new technology, increase their bottom line and in the end, to sleep better at night!
- The **PGIA** provides an active forum for networking, the exchange of business ideas and for socializing with our industry peers.

Join our email list today to receive industry information and notification of industry events. Scan the QR code below.
